THE SD CAPTAIN commanding the defenses at Number 2 Aft Access Port inside the Battle Module pulled his forward section back from the lock as the inner doors

started to glow cherry red at the center. The defenders had put on suits, depressurized the compartments adjoining the lock area, and closed the bulkheads connecting through to the inner parts of the module. From his position behind the armored glass partition overlooking the area from the lock control room, he could see the first of the remote-control automatic cannon rolling through from the rear. "Hurry up with those RCC's," he shouted into his helmet microphone. "Yellow section take up covering positions. Green and Red prepare to fall back to the longitudinal bulkhead locks," "Really? You don't look like you've been raised in a box." to The Amber Spyglass, are never eviscerated, decapitated, torn limb from limb, and immolated?which.But SD's were already pouring out of the guardroom behind the main doors of the Government Center and racing along the corridor toward the communications facility while civilians flattened themselves against the walls to get out of the way, and others who had been working late peered from their offices to see what was happening. The engineer iii coveralls who had been working inconspicuously at an opened switchbox through an access panel in the floor closed a circuit, and a reinforced fire-door halfway along the corridor - closed itself in the path of the oncoming SD's. The SD major leading the detachment stared numbly at it for a few seconds while his men came to a confused halt around him. "Back to the front stairs," he shouted. "Go up to Level Three, and come down on the other side." Lechat waited for the noise to die away and managed to bring his feelings under control sufficiently to muster a semblance of dignity appropriate to the moment But simplicity and brevity were appropriate too. "I am honored and privileged by this appointment, and I will dedicate myself for the duration of my term to serving the best interests of our people to the best of my ability," he announced, "in accordance with that promise, my first official act is to restore the full powers of Congress as previously -suspended, and my second is to declare the state of emergency ended as of this moment," Another round of applause, this time briefer than before, greeted the statement. "Next, I have two proposals to put to the vote of the assembly," Lechat said. "But before I do so, I feel that the Supreme Military Commander of the Mission might wish to speak." He sat down, looked along the dais toward Borstein, and motioned with his hand an invitation for the general to take it from there..Stern looked displeased at the response. She might not know herself.. "I have. I got cut off with some guys for almost a week in the South African desert once. All you think about is water. You can't describe the craving. You'd cut off your arm for a cup." He paused, and Jay waited with a puzzled expression on his face. "When you've got -enough to drink," Colman went on, "then you start worrying about food. That takes longer to build up, but it gets as bad. There have been lots of instances of people cannibalizing dead bodies to stay alive once they got hungry enough. They've killed each other over potato peels."..Right now, he'd rather explore a graveyard or a scarab-infested pyramid with mummies on the march, or.condescension.."Everyone knows they won't.
