Ofcourse the advantages to get and what sort of guide can associate that you are reading. And now these days, we will problem you to use analyzing **Get Free Death Without A Purpose: The Healing Process MS Word** as among the stuff to perform immediately. There was once, in the parts of Khorassan, a man of the affluent of the country, who was a merchant of the chiefest of the merchants and was blessed with two children, a son and a daughter. He was assiduous in rearing them and

making fair their education, and they grew up and thrived after the goodliest fashion. He used to teach the boy, who taught his sister all that he learnt, so that the girl became perfect in the knowledge of the Traditions of the Prophet and in polite letters, by means of her brother. Now the boy's name was Selim and that of the girl Selma. When they grew up and waxed, their father built them a mansion beside his own and lodged them apart therein and appointed them slave-girls and servants to tend them and assigned unto each of them pensions and allowances and all that they needed of high and low, meat and bread and wine and raiment and vessels and what not else. So Selim and Selma abode in that mansion, as they were one soul in two bodies, and they used to sleep on one couch; and rooted in each one's heart was love and affection and familiar friendship [for the other of them]. The Fifth Day. 11. Sindbad the Sailor and Hindbad the Porter (239). Unto its pristine lustre your land returned and more, iii. 132. The Thief and the Woman dccccix. In glory's raiment clad, by thee the stars of heaven are shamed And in amaze the full moon stares to see thy goodlihead. Like a sun at the end of a cane in a hill of sand, She shines in a dress of the hue of pomegranate flower. Then they betook themselves to a place without the city, where he builded him a mansion of solid stone and white plaster and stopped its inner [walls] and stuccoed them; yea, he left not therein cranny nor crevice and set in it two serving-women to sweep and wipe, for fear of spiders. Here he abode with his wife a great while, till one day he espied a spider on the ceiling and beat it down. When his wife saw it, she said, 'This is that which the wise woman avouched would kill me; so, by thy life [I conjure thee], suffer me to slay it with mine own hand.' Her husband forbade her from this, but she conjured him to let her kill the spider; then, of her fear and her eagerness, she took a piece of wood and smote it. The wood broke in sunder, of the force of the blow, and a splinter from it entered her hand and wrought upon it, so that it swelled. Then her arm swelled also and the swelling spread to her side and thence grew till it reached her heart and she died. Nor," added the vizier, "is this more extraordinary or more wonderful than the story of the weaver who became a physician by his wife's commandment." Sherik ben Amrou, what device avails the hand of death to stay? O brother of the brotherless, brother of all th' afflicted, say. When she came to Alaeddin's shop, she sat down thereat and said to him, "May the day be blessed to thee, O my lord Alaeddin! God prosper thee and be good to thee and accomplish thy gladness and make it a wedding of weal and content!" He knitted his brows and frowned in answer to her; then said he to her, "Tell me, how have I failed of thy due, or what have I done to injure thee, that thou shouldst play me this trick?" Quoth she, "Thou hast no wise offended against me; but this inscription that is written on the door of thy shop irketh me and vexeth my heart. If thou wilt change it and write up the contrary thereof, I will deliver thee from thy predicament." And he answered, "This that thou seekest is easy. On my head and eyes be it." So saying, he brought out a ducat (264) and calling one of his mamelukes, said to him, "Get thee to such an one the scribe and bid him write us an inscription, adorned with gold and ultramarine, in these words, to wit, 'THERE IS NO CRAFT BUT WOMEN'S CRAFT, FOR THAT INDEED THEIR CRAFT IS A MIGHTY CRAFT AND OVERCOMETH AND HUMBLETH THE FABLES (265) OF MEN.'" And she said to the servant, "Go forthright." Now the treasures aforetime had been in the viziers' hand, so they might do with them what they would, and when they came under the youth's hand, that of the viziers was straitened from them, and the youth became dearer to the king than a son and he could not brook to be separated from him. When the viziers saw this, they were jealous of him and envied him and cast about for a device against him whereby they might oust him from the king's favour, but found no opportunity. At last, when came the destined hour, (101) it chanced that the youth one day drank wine and became drunken and wandered from his wits; so he fell to going round about within the palace of the king and fate led him to the lodging of the women, in which there was a little sleeping-chamber, where the king lay with his wife. Thither came the youth and entering the chamber, found there a couch spread, to wit, a sleeping place, and a candle burning. So he cast himself on the couch, marvelling at the paintings that were in the chamber, and slept and slumbered heavily till eventide, when there came a slave-girl, bringing with her all the dessert, eatables and drinkables, that she was wont to make ready for the king and his wife, and seeing the youth lying on his back, (and none knowing of his case and he in his drunkenness unknowing where he was,) thought that he was the king asleep on his bed; so she set the censuring-vessel and laid the essences by the couch, then shut the door and went away. At this Queen Es Shuhba was stirred to exceeding delight and said, 'Well done, O queen of delight! By Allah, I know not how I shall do to render thee thy due! May God the Most High grant us to enjoy thy long continuance [on life]!' Then she strained her to her breast and kissed her on the cheek; whereupon quoth Iblis (on whom be malison!), 'Indeed, this is an exceeding honour!' Quoth the queen, 'Know that this lady Tuhfeh is my sister and that her commandment is my commandment and her forbiddance my forbiddance. So hearken all to her word and obey her commandment.' Therewithal the kings rose all and kissed the earth before Tuhfeh, who rejoiced in this. Moreover, Queen Es Shuhba put off on her a suit adorned with pearls and jewels and jacinths, worth an hundred thousand dinars, and wrote her on a sheet of paper a patent in her own hand, appointing her her deputy. So Tuhfeh rose and kissed the earth before the queen, who said to her, 'Sing to us, of thy favour, concerning the rest of the sweet-scented flowers and herbs, so I may hear thy singing and divert myself with witnessing thy skill.' 'Hearkening and obedience, O lady mine,' answered Tuhfeh and taking the lute, improvised the following verses: Nor, like others a little ere morning appear who bawl, "Come to safety!" (58) I stand up to prayer. So, when he arose in the morning, he repaired to the vizier and repeated to him that which the old woman had taught him; whereat the vizier marvelled and said to him, 'What sayst thou of a man, who seeth in his house four holes, and in each a viper offering to come out and kill him, and in his house are four staves and each hole may not be stopped but with the ends of two staves? How shall he stop all the holes and deliver himself from the vipers?' When the merchant heard this, there betided him [of concern] what made him forget the first and he said to the vizier, 'Grant me time, so I may consider the answer.' 'Go out,' replied the vizier, 'and bring me the answer, or I will seize thy good.' When it was the second day, the second of the king's viziers, whose name was Beheroun, came in to him and said, "God advance the king! This that yonder youth hath done is a grave matter and a foul deed and a heinous against the household of the king." So Azadbekht bade fetch the youth, because of the saying of the vizier; and when he came into his presence, he said to him, "Out on thee, O youth! Needs must I slay thee by the worst of deaths, for indeed thou hast committed a grave crime, and I will make thee a warning to the folk." "O king," answered the youth, "hasten not, for the looking to the issues of affairs is a pillar of the realm and [a cause of] continuance and sure establishment for the kingship. Whoso looketh not to the issues of affairs, there befalleth him that which befell the merchant, and whoso looketh to the issues of affairs, there betideth him of joyance that which betided the merchant's son." "And what is the story of the merchant and his son?" asked the king. "O king," answered the youth, 83. The Woman's Trick against her Husband cccxciii. When King Shehriyar heard his brother's words, he rejoiced with an exceeding joy and said, "Verily, this is what I had wished, O my brother. So praised be God who

hath brought about union between us!" Then he sent after the Cadis and learned men and captains and notables, and they married the two brothers to the two sisters. The contracts were drawn up and the two kings bestowed dresses of honour of silk and satin on those who were present, whilst the city was decorated and the festivities were renewed. The king commanded each amir and vizier and chamberlain and deputy to decorate his palace and the folk of the city rejoiced in the presage of happiness and content. Moreover, King Shehriyar bade slaughter sheep and get up kitchens and made bride-feasts and fed all comers, high and low..? ? ? ? ? p. The Foxes and the Wolf dcxxx.Presently, his friends and acquaintances among the merchants and people of the market began to come up to him, by ones and twos, to give him joy, and said to him, laughing, "God's blessing on thee! Where an the sweetmeats? Where is the coffee? (262) It would seem thou hast forgotten us; surely, the charms of the bride have disordered thy reason and taken thy wit, God help thee! Well, well; we give thee joy, we give thee joy." And they made mock of him, whilst he gave them no answer and was like to tear his clothes and weep for vexation. Then they went away from him, and when it was the hour of noon, up came his mistress, trailing her skirts and swaying in her gait, as she were a cassia-branch in a garden. She was yet more richly dressed and adorned and more bewitching (263) in her symmetry and grace than on the previous day, so that she made the passers stop and stand in ranks to look on her..? ? ? ? ? How oft I've waked, whilst over me my comrades kept the watch! How many a stony waste I've crossed, how many a desert dread!..? ? ? ? ? Oft as I strove to make her keep the troth of love, Unto concealment's ways still would she turn aside..So the youth returned to his house, and indeed the world was grown black in his eyes and he said, 'My father said sooth.' Then he opened the chamber door and piling up the bricks under his feet, put the rope about his neck and kicked away the bricks and swung himself off; whereupon the rope gave way with him [and he fell] to the ground and the ceiling clove in sunder and there poured down on him wealth galore, So he knew that his father meant to discipline (226) him by means of this and invoked God's mercy on him. Then he got him again that which he had sold of lands and houses and what not else and became once more in good case. Moreover, his friends returned to him and he entertained them some days..? ? ? ? ? "How many a cup with bitterness o'erflowing have I quaffed! I make my moan of woes, whereat it boots not to repine."
