We're the ideal place to get for your publication. And your time to obtain this specific guide as among the compromises has become ready. When it was night, the king summoned the vizier and sought of him the hearing of the [promised] story. "Harkening and obedience," replied Er Rehwan, "Know, O august king, that.The prince thanked them and said to them, 'God requite you with all good, for indeed ye give me loyal counsel; but whither would ye have me go?' Quoth they, 'Get thee to the land of the Greeks, the abiding-place of thy mother.' And he said, 'My grandfather Suleiman Shah, when the King of the Greeks wrote to him, demanding my mother in marriage, concealed my affair and hid my secret; [and she hath done the like,] and I cannot make her a liar.' 'Thou sayst sooth,' rejoined they; 'but we desire thine advantage, and even if thou tookest service with the folk, it were a means of thy continuance [on life].' Then each of them brought out to him money and gave to him and clad him and fed him and fared on with him a parasang's distance till they brought him far from the city, and giving him to know that he was safe, departed from him, whilst he fared on till he came forth of the dominions of his uncle and entered those [of the king] of the Greeks. Then he entered a village and taking up his abode therein, betook himself to serving one there in ploughing and sowing and the like..Accordingly, the trooper bought him a house near at hand and made therein an underground passage communicating with his mistress's house. When he had accomplished his affair, the wife bespoke her husband as her lover had lessoned her and he went out to go to the trooper's house, but turned back by the way, whereupon quoth she to him, 'By Allah, go forthright, for that my sister asketh of thee.' So the dolt of a fuller went out and made for the trooper's house, whilst his wife forewent him thither by the secret passage, and going up, sat down beside her lover. Presently, the fuller entered and saluted the trooper and his [supposed] wife and was confounded at the coincidence of the case. (230) Then doubt betided him and he returned in haste to his dwelling; but she forewent him by the underground passage to her chamber and donning her wonted clothes, sat [waiting] for him and said to him, 'Did I not bid thee go to my sister and salute her husband and make friends with them?' Quoth he, 'I did this, but I misdoubted of my affair, when I saw his wife.' And she said, 'Did I not tell thee that she resembleth me and I her, and there is nought to distinguish between us but our clothes? Go back to her.'.70. Aboulaswed and his squinting Slave-girl cccclxxvii.The king gave him leave for this and the vizier betook himself to the queen and said to her, "I am come to thee, on account of a grave reproach, and I would have thee be truthful with me in speech and tell me how came the youth into the sleeping-chamber." Quoth she, "I have no knowledge whatsoever [of it]" and swore to him a solemn oath thereof, whereby he knew that she had no knowledge of the matter and that she was not at fault and said to her, "I will teach thee a device, where- with thou mayst acquit thyself and thy face be whitened before the king." "What is it?" asked she; and he answered, saying, "When the king calleth for thee and questioneth thee of this, say thou to him, 'Yonder youth saw me in the privy-chamber and sent me a message, saying, "I will give thee a hundred jewels, to whose price money may not avail, so thou wilt suffer me to foregather with thee." I laughed at him who bespoke me with these words and rebuffed him; but he sent again to me, saying, "An thou fall not in with my wishes, I will come one of the nights, drunken, and enter and lie down in the sleeping-chamber, and the king will see me and kill me; so wilt thou be put to shame and thy face will be blackened with him and thine honour abased.'" Be this thy saying to the king, and I will presently go to him and repeat this to him." Quoth the queen, "And I also will say thus..? ? ? ? p. The Sixteenth Officer's Story dccccxl.The vizier's story pleased the king and he bade depart to his dwelling..? ? ? ? Yea, to Baghdad I came, where rigour gave me chase And I was overthrown of cruelty and pride..Meanwhile, Belehwan the froward addressed himself to pay court to Caesar, King of the Greeks, (131) and seek help of him in making war upon his father, and he inclined unto him and gave him a numerous army. His father the king heard of this and sent to Caesar, saying, 'O king of illustrious might, succour not an evil-doer. This is my son and he hath done thus and thus and cut his brother's throat and that of his brother's son in the cradle.' But he told not the King of the Greeks that the child [had recovered and] was alive. When Caesar heard [the truth] of the matter, it was grievous to him and he sent back to Suleiman Shah, saying, 'If it be thy will, O king, I will cut off his head and send it to thee.' But he made answer, saying, 'I reckon not of him: the reward of his deed and his crimes shall surely overtake him, if not to-day, then to-morrow.' And from that day he continued to correspond with Caesar and to exchange letters and presents with him..There was once a king of the kings, who had a high palace, overlooking a prison of his, and he used to hear in the night one saying, 'O Ever-present Deliverer, O Thou whose relief is nigh, relieve Thou me!' One day the king waxed wroth and said, "Yonder fool looketh for relief from [the consequences of] his crime. 'Then said he to his officers, 'Who is in yonder prison?' And they answered, 'Folk upon whom blood hath been found.' (139) So the king bade bring the man in question before him and said to him, 'O fool, little of wit, how shall thou be delivered from this prison, seeing that thine offence is great?' Then he committed him to a company of his guards and said to them, 'Take this fellow and crucify him without the city.'.So the folk gathered together to them and blamed the lackpenny and said to him, 'Give him the price of that which thou hast eaten.' Quoth he, 'I gave him a dirhem before I entered the shop;' and the cook said, 'Be everything I sell this day forbidden (15) to me, if he gave me so much as the name of a piece of money! By Allah, he gave me nought, but ate my food and went out and [would have] made off, without aught [said I] 'Nay,' answered the lackpenny, 'I gave thee a dirhem,' and he reviled the cook, who returned his abuse; whereupon he dealt him a cuff and they gripped and grappled and throttled each other. When the folk saw them on this wise, they came up to them and said to them, 'What is this strife between you, and no cause for it?' 'Ay, by Allah,' replied the lackpenny, 'but there is a cause for it, and the cause hath a tail!' Whereupon, 'Yea, by Allah,' cried the cook, 'now thou mindest me of thyself and thy dirhem! Yes, he gave me a dirhem and [but] a quarter of the price is spent. Come back and take the rest of the price of thy dirhem.' For that he understood what was to do, at the mention of the tail; and I, O my brother," added Aboulhusn, "my story hath a cause, which I will tell thee.".Now the liefest of all things to Mariyeh was the recitation of poems and verses and linked rhymes and the twanging [of the strings of the lute], and she was versed in

all tongues; so she took the letter and opening it, read that which was therein and apprehended its purport. Then she cast it on the ground and said, "O nurse, I have no answer to make to this letter." Quoth the nurse, "Indeed, this is weakness in thee and a reproach unto thee, for that the people of the world have heard of thee and still praise thee for keenness of wit and apprehension; so do thou return him an answer, such as shall delude his heart and weary his soul." "O nurse," rejoined the princess, "who is this that presumeth upon me with this letter? Belike he is the stranger youth who gave my father the rubies." "It is himself," answered the woman, and Mariyeh said, "I will answer his letter on such a wise that thou shalt not bring me other than it [from him]." Quoth the nurse, "So be it." So the princess called for inkhorn and paper and wrote the following verses: Er Reshid considered her beauty and the goodliness of her singing and her eloquence and what not else she comprised of qualities and rejoiced with an exceeding joyance; and for the stress of that which overcame him of delight, he descended from the couch and sitting down with her upon the ground, said to her, 'Thou hast done well, O Tuhfeh. By Allah, thou art indeed a gift' (187) Then he turned to Ishac and said to him, 'Thou dealtest not equitably, O Ishac, in the description of this damsel, (188) neither settest out all that she compriseth of goodliness and skill; for that, by Allah, she is incomparably more skilful than thou; and I know of this craft that which none knoweth other than I!' 'By Allah,' exclaimed Jaafer, 'thou sayst sooth, O my lord, O Commander of the Faithful. Indeed, this damsel hath done away my wit' Quoth Ishac, 'By Allah, O Commander of the Faithful, I had said that there was not on the face of the earth one who knew the craft of the lute like myself; but, when I heard her, my skill became nothing worth in mine eyes.'? ? ? ? ? My place is the place of the fillet and pearls And the fair are most feately with jasmine bedight, Now the children had entered the coppice, to make water, and there was there a forest of trees, wherein, if a horseman entered, he might wander by the week, [before finding his way out], for none knew the first thereof from the last. So the boys entered therein and knew not how they should return and went astray in that wood, to an end that was willed of God the Most High, whilst their father sought them, but found them not. So he returned to their mother and they abode weeping for their children. As for these latter, when they entered the wood, it swallowed them up and they went wandering in it many days, knowing not where they had entered, till they came forth, at another side, upon the open country..? ? ? ? ? Of me he got not what he sought and brideless did return, For that estrangement and disdain were pleasing in my sight..A sun of beauty she appears to all who look on her, iii. 191..103. Julnar of the Sea and her Son King Bedr Basim of Persia dccciv.? ? ? ? ? b. Story of the Enchanted Youth vii 3. The Porter and the Three Ladies of Baghdad ix. Thereupon they all dismounted and putting off that which was upon them of harness of war, came before El Abbas and tendered him allegiance and sued for his protection. So he held his hand from them and bade them gather together the spoils. Then he took the riches and the slaves and the camels, and they all became his liege-men and his retainers, to the number (according to that which is said) of fifty thousand horse. Moreover, the folk heard of him and flocked to him from all sides; whereupon he divided [the spoil amongst them] and gave gifts and abode thus three days, and there came presents to him. Then he bade set out for Akil's abiding-place; so they fared on six days and on the seventh day they came in sight of the camp. El Abbas bade his man Aamir forego him and give Akil the glad news of his cousin's coming. So he rode on to the camp and going in to Akil, gave him the glad news of Zuheir's slaughter and the conquest of his tribe..Then came forward the thirteenth officer and said, 'I will tell you a story that a man of my friends told me. (Quoth he).42. Er Reshid and the Barmecides dlxvii. As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks.
