A different mood was taking bold of the room, and it was affecting the people on the screen, who were leaning forward and listening intently. So far it was just an idea, but already it was beginning to hook all of them.."I won't be talking to him," said Geneva. "After what I've just heard, I'd as soon smack him as look at.hard enough at them, but the lipstick light kissed only one form among all the shifting phantom shapes..Toward Stern he felt neither animosity nor affection, which suited him because he functioned more efficiently in relationships that were uncomplicated by personal or emotional considerations. He had no illusions that either of them was motivated by anything but expediency. Stormbel derived some satisfaction and a certain sense of stature from the knowledge that they

complemented and had use for each other, with no conflict of basic interests, like the interlocking but independent parts of a well-balanced machine. Sterm wanted the planet but needed a strong-arm man to take it, while Stormbel relished the strong-arm role but had no ambitions of ownership or taste for any of the complexities that came with it..and I just thought I'd see if you were all right." "We're not negotiating, Sherlock." "Oh, that locomotive!" lean looked at lay. Noah appreciated their professionalism.. "I hope they're not going to start shooting each other up here. It would be pretty scary in orbit. They could decompress the whole ship." "Sure," Murphy accepted, and they all began walking. On the way, lay explained the problem to his three friends.. "I never said anything of the kind. The whole point is that they are no- indiscriminate. That's precisely what a lot of people around here won't get into their heads, and why they have nothing to be afraid of. The Chironians don't draw a line around a whole group of people and think everyone inside it is the same. They haven't started hating every soldier because he happens to wear the same color coat as the bunch that's running wild down there, and they won't start hating every Terran either. They don't think that way."..restroom hallway. Following the cowboys. More hard and hurried footfalls on the tile floor. Voices. "We have to do something," Marcia Quatrey insisted. "Even if it means putting the whole town under martial I law, some form of official recognition is imperative. This has gone on far too long as it is."..These are not rich people, and he feels guilty about taking their money. One day, if he lives long enough,..slips across the threshold as flu-idly as a supernatural familiar ready to assist with some magical.He's sincere in his intention to pay for what he takes, but nevertheless he feels like a criminal..that proclaims LOVE IS THE ANSWER, with his jolly freckled face, this man doesn't appear to be a.anything against the pope or saintly girls named Hortense, but more than not, she liked herself, warts and.Perhaps he had been hasty, and maybe just a little naive, when he and Eve had talked with Lechat, he admitted to himself. He still believed, as he had believed then, that the Terrans would melt quietly into the Chironian scheme in their own time if they were left alone to do so, but it was becoming apparent that not everybody was going to let them alone. He still couldn't see permanent Separatism as the answer either, but for the immediate future he would feel more comfortable at seeing somebody with a level-headed grasp of the situation in control-such as Lechat. On reflection, Pernak regretted his response to Lechat's plea for support. But it was far from too late for him to be able to change that. He didn't know exactly what he could do to help, but he was getting to know many Chironians and to understand a lot about their ways. Surely that knowledge could be put to some useful purpose..Bernard snapped his fingers. "Of course, Colman! Why the hell didn't I think of that?".All entrances into the Center itself were guarded. Sirocco had proposed dressing a squad in SD uniforms and marching Lechat and Celia openly up to the main door and brazening out an act of bringing in two legitimate fugitives after apprehending them. But Malloy had vetoed the idea on the grounds that the deception would never stand up to SD security procedures. Then Lechat had suggested a less dramatic and less risky method. As a regular customer of the Fran?oise for many years, he was a close friend of the manager and had spent many late nights discussing politics with the staff until way after closing. They all knew Lechat, and he was sure he could rely on them. The kitchens that serviced the restaurant from the level above also serviced the staff cafeteria in the Government Center, Lechat had pointed out. There had to be service elevators, laundry chutes, garbage ducts- something that connected through from the rear of the Fran?oise..The pole rested in U-shaped brackets. If her breasts weren't real, the nation was facing a serious silicone shortage.."It's a thought," Colman replied vaguely. The same idea had crossed his mind while the painter was talking. It was a sobering one.."I think they know that," Cromwell said. "They've spent.linger after its visitation.." "It came in about fifteen minutes ago," the waiter said. He shook his head sadly. "Bad news. There's been a shooting down there . . . in Franklin somewhere. At least one dead---one of our soldiers, I think. It was at some place called The Two Moons."..Bernard couldn't see why Pernak had changed his mind. "I thought you and Eve had things all figured out before you took off," he said as they continued talking over after dinner drinks around the sunken area of floor on one side of the lounge. "Look what's happening-you've left, other people are leaving all over. You were right. Just leave the situation alone and let it straighten itself out." "Hey, don't get too excited about this," Colman cautioned. "I only said rd be interested in seeing it. The Army might have different ideas about me getting involved. Don't bet your life savings on it"..checkbook..Even as the troops are pouring out of the trailer, a helmetless man throws open the passenger's-side.mean "pert, smart, jaunty" rather than "insolent, rude,

The action.The vending machine is smarter than the hand dryers. It offers pocket combs, nail clippers, disposable.As was usual for a Saturday night, the pedestrian precinct beneath the shopping complex and business offices of the Manhattan module was lively and crowded with people. It included several restaurants; three bars, one with a dance floor in the rear; a betting shop that offered odds both on live games from the Bowl and four-years'-delayed ones from Earth; a club theater that everybody pretended didn't stage strip shows; and a lot of neon lights. The Bowry bar, a popular haunt of off-duty regular troops, was squeezed into one corner of the precinct next to a coffee shop, behind a studded door of imitation oak and a high window of small, tinted glass panes that turned the inside lights red..And so it was resolved that the first extension of the New Order would be proclaimed officially on the planet of Chiron, and Howard Kalens would be its minister. He had gained the first toehold of his empire. "It's the beginning," he told Celia later that night. "Ten years from now it will have become the capital of a whole world.
