Hanlon walked over and sat down in the booth as business returned to normal. "They hew you were here, Steve. I heard them talking in the back of Rockefeller's. So I thought I'd come back down and hang around.". more, but Old Yeller doesn't return to her juice. As long as Curtis remains uneasy, the dog will stay on. Colman had reached the place where a raised catwalk joined the gallery from a door leading through a bulkhead into one of the booster-pump

compartments, where tritium bred in the stem bypass reactors was concentrated to enrich the main-drive fusion plasma before it was hurled away into space. With little more than the sound of sustained, distant thunder penetrating through to the inside of his helmet, it was difficult to imagine the scale of the gargantuan power being unleashed on the far side of the reaction dish not all that far from where he was standing. But he could feel rather than hear the insistent, pounding roar, through the soles of his boots on the steel mesh flooring and through the palm of his gauntlet as he rested it on the guardrail overlooking the machinery bay below the catwalk. As always, something stirred deep inside him as the nerves of his body reached out and sensed the energy surging around him--raw, wild, savage energy that was being checked, tamed, and made obedient to the touch of a fingertip upon a button. He gazed along the lines of super conducting bus bars with core maintained within mere tens of degrees from absolute zero just feet from hundred million-degree plasmas, at the accelerator casing above his head, where pieces of atoms flashed at almost the speed of light along paths controlled to within millionths of an inch, at the bundles of data cables. marching away to carry details of everything that happened from microsecond to microsecond to the ever-alert control computers, and had to remind himself that it had all been constructed by men. Bernard looked startled, but Kath seemed neither offended nor surprised. "I thought you might be," she said, nodding half to herself. "Nanook told me about that." She looked at Bernard. "We don't have a lot of time for secrets," she told him. "Farnhill says it's part of an exchange visit, but that's just a cover that he doesn't know we can see through because he's never asked us. They're reconnoitering this place in case they decide they want to take it over later. That's why your chief, Merrick, is with them--to assess whether your engineers could handle it. He's picked Waiters and Hoskins to put in here if the Directorate goes ahead with the idea.". The girl grew silent.. disappointment. "I sure did want to be Minnie.". "How is Kalens's wife?" Sirocco asked Hanlon.. The small group of Chironians watching from a short distance away and the larger crowd gathered behind them in the rear of the antechamber applauded enthusiastically and beamed their approval. They weren't supposed to do that. It didn't preserve the fight atmosphere.. "And that bothers you? ". "I say a lot of stuff. Not all of it means anything." At the gap in the broken fence, the girl stopped and. "Two of your officers are heading this way. I thought you ought to know.". tapped a time or two, Curtis goes to the bedroom window.
