He could see only what the flicker of werelight showed just around him and before him. As when he had gone through the

night with Anieb to her death, each step into the dark..The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than the wizards. Though they speak the True Speech, they are endlessly devious. Some of them clearly enjoy battles of wits with wizards, "splitting arguments with a forked tongue." Like human beings, all but the greatest of them conceal their true names. In the lay Hasa's Voyage, the dragons appear as formidable but feeling beings, whose anger at the invading human fleet is justified by their love of their own desolate domain. They address the hero:..did not know what to say. How difficult all this was.."For us," said Ember. "For us who live, in hiding, neither killed nor killing. The dead are dead. The great and mighty go their way unchecked. All the hope left in the world is in the people of no account."..apparently on contact with air. She sat down and, touching the glass with her lips, casually asked:..him, but she watched him in wonder.."Send him on out to the dairy," said one of Alder's cowboys. "Gift's taking whatever comes."
