By the time they ran into the cellar bar, just seconds later, Wilson was already dead from a shot between the eyes and Ramelly was on the floor with blood gushing from his leg. Padawski and the others were standing uncertainly by the bar, covered by a .38 automatic that one of the young Chironian women was holding. Several other weapons had appeared around the room. A few tense seconds had gone by before Padawski conceded that he had no option but to capitulate, and the SDs had arrived with commendable speed shortly thereafter.."Never say you don't get anything back for your taxes." Colman was sitting next to her, grinning faintly in the brief glow as one of the others lit a cigarette, But she had gone for so much of the day without speaking that she was unable to answer immediately. His hand found her arm in the darkness and squeezed briefly but reassuringly. "It'll be okay," he murmured. 'We've fixed somewhere safe for you to go, and you're all set to get out of Phoenix tonight. I'll be coming with you into Franklin?'.Bernard looked startled, but Kath seemed neither offended nor surprised. "I thought you might be," she said, nodding half to herself. "Nanook told me about that." She looked at Bernard. "We don't have a lot of time for secrets," she told him. "Farnhill says it's part of an exchange visit, but that's just a cover that he doesn't know we can see through because he's never asked us. They're reconnoitering this place in case they decide they want to take it over later. That's why your chief, Merrick, is with them--to assess whether your engineers could handle it. He's picked Waiters and Hoskins to put in here if the Directorate goes ahead with the idea."."How do you know when you've done enough work?" Jay asked him, trying to make it simpler..Bernard fell silent for a few seconds. "Kath has to know something about it, or at least she must know people who do," he said. "After all, there aren't billions of people on Chiron. And Jerry said that she has. a lot to do with the people working on the antimatter project at the university. Let's start with her."..about his stowaways..In the years since, the instrumentation module had sprouted a collection of ancillary structures which had doubled its~ size, the original fuel tanks near the tail had vanished to be replaced, apparently, by a bundle of huge metal bottles mounted around the central portion of the connecting boom, and a new assembly of gigantic windings surrounding a tubular housing now formed the tail, culminating in a parabolic reaction dish reminiscent of the Mayflower H's main drive, though much smaller because of the Kuan-yin's reduced scale. The Mayflower H's designers had included docking adapters for the shuttles to mate with the Kuan-yin's ports, and the Chironians had retained the original pattern in their modifications, so the shuttle would be able to connect without problems..end of a hangman's noose.
