"Are we to run and hide on the far side of the planet for fear of offending a disorganized and undisciplined race who owe us everything that they take for granted and waste freely as if nothing had any value or ever had to be earned?" Kalens was asking from the screen. "Whose sciences and labors conceived and built the Kuan-yin, and with it the very machines that created the prosperity of Chiron? Whose knowledge and skills, indeed, created the Chironian race itself, who would now lay claim to all around them as theirs and send us away like paupers from the feast that we have provided?" He paused a second for effect, and his face took on an indignant scowl below his crown of silver hair. "I say no! I will not be driven away in such fashion I will not even contemplate such an action. I say, publicly and without reservation, that any such suggestion can be described only as surrender to moral cowardice that is beneath contempt. Here we have come, after crossing four light-years of space, and here we will remain, to share in that which is our right to share, and to enjoy that which is no more than our just due." A thunder of applause greeted the exhortation. Jean had heard enough and told Jeeves to turn off the screen.. "Does anyone else know about Howard?" Colman asked. "Veronica, for instance?.ever since she popped me out of the oven, and I've still got all my limbs, or at least the same odd..hideous and distressing story, but they could do nothing to help her. "Maybe not so hard if you're honest with yourself." Noah had been so taken with her body and her.Kalens had evidently been working on the details for some time. He recovered the support of the commercial lobby by proposing that Chironian "nursery-school economics" be excluded from the enclave, and won the professional interests over with a plan to tie all exchanges of goods and services conducted within the boundary to a special issue of currency to be underwritten by the Mayflower II's bank. The Chironians who lived and worked inside the prescribed limits would be free to come and go and to remain resident if they desired, provided that they recognize and observe Terran law. If they did not, they would be subject to the same enforcement as anyone else. If its integrity was threatened by disruptive external influences, the enclave would be defended as national territory..fun..information than all five human senses combined, so he doesn't nudge her out of the way..Doom's parents were professors?history, literature?so his middle name is Claudius.
