Reluctantly at first, then with the glad, uncloseted feeling of shaking himself loose over a dance floor, Barry told Cinderella of his ups and downs during the past six months. This statement is, I think, based on a cognitive error inculcated (probably) by American high school education. The error is that all proofs must be of the "hard" kind, i.e., cut-and-dried and susceptible of presentation in syllogistic form. An acquaintance with the modern philosophy of science would disabuse people of this notion; even a surprising amount of scientific proof is not of this kind. As philosophers since Plato have been pointing out, aesthetic and moral matters are usually not susceptible of such "hard" proof. The payoff. I nodded again, at the same time wondering how Amanda Gail could ever, really, consider herself alone. The acrimonious divorce of former Olympic runner Margot Randall and Senator Charles Christopher Gail had traumatically divided not only Amanda's childhood but her very psyche. Five years ago, when Margot Randall died hi a hovercraft accident and Amanda moved to Washington full-time, it emerged that for most of her childhood, Amanda Selene Gail had been two personalities, Amanda Gail and another calling herself Selene Randall. The revelation, and their decision to remain dissociated, had made them the darlings of the gossip columns. good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop. Naturally, the ordinary "somatic cells" of an adult human body, with their genetic equipment working only in highly specialized ways, cannot divide into a whole organism if left to themselves. Many body cells, such as those of the muscles or nerves, have become so specialized they can't divide at all. Only the sex cells, eggs and sperm, retain the lack of genetic specialization required to produce a new organism under the proper circumstances. demurely. "I was a Goldwyn Girl, you know."
