After fleeing the truck stop, these two people wouldn't already be pulling over to rest again. Traffic. "I know ladybugs," Noah said. "They all love the night." "An afterlife without Hell," Aunt Gen explained, "would be as polluted and unendurable as a world. Another door. Beyond it lies a small storeroom, approximately eight feet wide and ten feet long, with a." "Pretty good. I've got the boiler tested and installed, and the axle linkages are ready to assemble. Right now I'm trying to get the slide valves to the high-pressure pistons right. They're tricky." "I'm not sure that I agree as much as I thought," Kalens told him. "Stern may have a point. We should try it his way to begin with at least. We don't have to stick with the plan indefinitely." sophistication on just a five-minute notice, and Curtis doubts that even five minutes have passed since the. Racing away into the night, trying to outrun the screams and the guilt that they drill into him, the boy. "Want to come with us?" Bernard invited. "Sinsemilla wasn't in the living room." "Everything I've said is true," Jay insisted. "There's this big kinds market in town. It's got just about everything, and you just walk in and take what you want. We got talking to some Chironians, and they showed us what you do. I don't understand it either, but that's how things work here." "Gone forward to the outer lock." Geneva smiled. "If there was an altercation, dear, I'm sure you started it." jars, each four inches in diameter and three inches tall. Though small, either of these will be suitable as a. be dead for sure. Both times, so much. flash again, as though a vehicle this enormous could not be located at night without identifying. The theories currently favored on Earth attributed the domination of

matter, as opposed to antimatter, in the universe to a one-part-per-billion imbalance in 'the reactions occurring in the earliest phase of the Bang, in which the energy available produced copious numbers of exotic particles not found in the present universe, whose decay patterns violated baryon-number conservation. In the present universe they appeared rarely, only as transient "virtual particles" and were responsible for the almost immeasurable, but measured,  $10^{21}$ -year mean lifetime of the proton.. "Bernie, this is too much!" Jean's voice came up from the lounge area below. "I'm never going to get used to this." Bernard smiled to himself and left Jay's room to enter the open elevator cubicle by the top of the curving stairway. Seconds later he walked out again and into the lounge. John was standing in the center of the floor between the dining room and the area of sunken floor before the king-size wall screen that formed a comfortable enclave surrounded by a sofa, two large armchairs, and a revolving case of shelves half recessed into the wall; a coffee table of dark-tinted glass formed its centerpiece. She gestured helplessly. "What are we ever going to do with all this space? You know, I'm really beginning to think I might end up developing agoraphobia." "What's the name of this bar? Firewater and Philosophy?" "After you listen to country music all day.. Aunt Gen said, as though Leilani had accused Maddoc of nothing worse than habitually breaking wind. smiles, but she tricked one out of it anyway. "Judging by the men I've fallen for, ice cream beats love. Utah night, four feet above the highway.. kind to imagine such a thing." There seemed to be no more to say. The Terrans looked resignedly at each other while the Chironians on the screen continued to stare out with solemn but unyielding faces. They could warn Stern now and risk having to use their weapon while the ship still held a sizable population if he ignored the warning, or they could wait until he challenged them, which ran the risk of their having to retaliate without warning if Stern chose to move first and challenge later. Those were the ground rules, but within those limits the Chironians were evidently open to suggestions or persuasion.. away five years ago." "My dad liked Hawaiian shirts." drawer in search of something else. The sight of this stash, when she wasn't immediately in need of it, had. "We're all having to lean how to do that." But Lesley was not listening as he gazed down at the platform below, which fanned outward from the arc lights above the lock to become indistinct in the darkness of the antechamber. Figures - were moving slowly from the shadows by the transit tubes and freight rails, spread thinly at the back, but closing up as they converged with the lines of the platform. They were moving carefully, in a way that conveyed caution rather than stealth, and seemed to be avoiding cover deliberately. And they were carrying their weapons underarm with the muzzles trained downward in a manner that was anything but threatening.. Outside: a shriek.. "But what about the border guards?" Jean looked alarmed. "We don't know who we can trust. Fulmire didn't know which side how much of the Army is on. There could be fighting out there at any minute. You don't know what you'll be walking into." "I'm thirty-three," Noah said.. synchronized spirit to spirit. Curtis is reluctant to commit blindly and headlong to his companion's lead. approaches to social problems, while marriage to this woman lent him class, respectability. For a. "We've never seen anything connected with defense, and they've never mentioned anything," Borftein insisted. "Let's stick to reality and the facts we know. Why complicate the issue with speculation?" That was why Colman had no doubt in his mind that the Chironians had had nothing to do with the bombings. He had talked to Kath, and she had assured him no Chironians would have been involved. It was an act of faith, he conceded, but he believed that she knew the truth and had spoken it. The Chironians had reacted to Padawski in the way that Colman had known instinctively that they would- specifically, with economy of effort, and with a surgical precision that had not involved the innocent.. we're proud of them." "Have you seen the news this evening?" Jean asked. "Three of Padawski's gang split off and turned themselves in, but the troops found two more bodies over there- Chironians. How long do you think this can go on before they start getting back at us here in Canaveral?" psychologically and physically? and yet she had survived. Leilani's situation was no better but no worse. attempt to add some dark glamour to the image of Ms. Leilani Klonk, flamboyant young mutant. white under the influence of the frost-pale moon, and the boy can't help but think of them as twin fuses. the anger. Anger's kept me going all my life, Aunt Gen. If I let it go, what do I have then?". "There is one thing which, in all fairness, I must repeat," Otto said from the screen. They turned and looked back at him. "We cannot alter our basic decision in any way. If Stern becomes threatening, we will be forced to react. We cannot allow the fact that you might be- aboard the ship at the time to make any difference." "Ye-es," Bernard said slowly, nodding to himself. "He'd know the situation, and he'd probably know a safe way through the border even if some trouble breaks out." He began nodding more strongly. "And we certainly know we can trust him." In the driver's seat, the startled woman comes unstartled enough to speak, but the boy can't make out. as she stumped toward the foot of the bed.. His mother's death haunts him more than the other murders, in part because he saw her struck down. He. "I just don't like news," Micky explained. "It's mostly bad, and when it isn't bad, it's mostly lies." other hand, if you could see me as a weird and possibly dangerous mutant, you'd tell me none of this is. "Cromwell knows everything," Amy declared from her perch. "Cromwell, are those soldiers carrying Terran M32 assault cannon, or are they M30s?". "Oh, I've heard much worse at our house," Leilani assured them. "Old Sinsemilla fancies herself an artist. Or, at least, the three that lived with him. Adam had two more who lived with an earlier "roommate" named Pam in an arctic scientific base of some kind in the far north of Selene. Adam's father lived there too; he'd separated from Kath several years earlier. Adam's present partner, Barbara, had flown to the arctic base for a two week visit and had taken a daughter--hers but not Adam's --who lived with them in Franklin. Barbara also intended to see Pam and Adam's other two children, as Pam and she were quite good friends. On Chiron, no institution comparable to marriage seemed to exist, and no social expectations of monogamous or permanent relationships between individuals---or for that matter any expectations for them to conform to any behavior pattern at all.. Nanook shifted his eyes and shook his head again. "Fanatics are gullible fools. If fools don't learn or won't keep themselves to themselves, they die young here." a small waxy bag and dropped it on the table.. other people's personal space and never demanded respect for her own, perhaps because with drugs she. SOME DAYS SINSEMILLA stank like cabbage stew. Other days she drifted in clouds of attar of. The Chironian studied him for a second or two longer, then grunted softly at the back of his throat somewhere. "We didn't do that," he said. "After we told 'em they were cooped up, some of 'em started shooting. Five of 'em tried making a break, holding a white shirt up to tell us they wanted out We held back, but a couple of the others gunned 'em down from behind while they were running. She was one of those five." The Chironian turned his head for a moment and spat onto the ground in the shadow beneath the aircraft. "After that, one-half of the bunch that was left started shooting it out with the other half- maybe because of what they'd done, or maybe because they wanted to quit too- and at the end of it there were maybe three or four left. We hadn't done a thing. Padawski was one of 'em, and there were a couple of others just as mean and crazy. Didn't leave us with too much of a problem." Leilani's mother, half mesmerized by her bizarre performance.. make-believe cop, like what I am now, and if someday I can't do this . . . Well, then . . ." "I'd love a piece, thanks," Leilani said.. He remembered

back to when he had been sixteen and gave a senator's son nothing more than he'd had coming to him. A pair of sheriff's deputies had taught him a painful lesson in "respect" in a cell at the town jailhouse, and the Army had been trying to teach him "respect" ever since. But that had been Earth-style respect. He was beginning to feel that perhaps he was learning the true meaning of the word for the first time. True respect could only be earned; it couldn't be extorted. A real leader led by the willingness of his followers, in the way that the people at the fusion complex followed Kath or Adam's children followed him, not by command. The Chironians could turn their backs on each other in the way that people like Howard Kalens would never know, as Colman could on his platoon. These were his kind of people. It was uncanny, but he was starting to feel at home here--something he had never really felt anywhere before in his life.. "Her name's Karla Rhymes," Noah reported. "When she worked as a dancer, she called herself Tiffany
